

All trucks must get a federal grade before being unloaded. The Ohio Valley Grain Inspection office is located at our Hopkinsville facility.

Inbound trucks will travel East or West on US Hwy 41 (Pembroke Road) until they reach Frank Yost Lane. Turn South and continue for 1/2 mile until you reach Quintin Court at which time you will turn South and continue approximately 1,000 feet until you reach the end of Quintin Court arriving at Siemer Milling Company.

Please do not turn South off US Hwy 41 onto the Jon Rivers Rd to access Frank Yost Lane in order to arrive at SMC.
